

YSuite is an impressive 15 PC ICT Suite complete with full media accessibility at the touch of a button. The suite is fully air conditioned and is accessible to disabled people.

YSuite can be hired by providers to deliver ICT Training or PC generated course programmes.

Integrated media enables Tutors to teach global aspects of their programme course to all trainees at once ensuring maximum time left is allocated to those all important one to one teaching sessions.

The suite can also be hired by schools, colleges, businesses, community groups and organisations who require a state of the art facility in which to provide their customers with specialised ICT courses.

Packages can be tailored to include a specialist Tutor to deliver all your needs at prices that are impressively competitive.
